Projects

Portfolio
2020
This is a website displaying my resume and it is built by using Html and Css only.
I have used all concepts of both the Html and Css in it.

Ristorante
2020
This is a simple restaurant website.
I have used only Bootstrap to develop it.

Feast Hub
2020
My part in this project is to develop login , signup and blog page for the website using Laravel.

Projects

Music Studio

2020

This is the front end project which is same as any music website that we use nowadays. I have used only html , css to build this project.
